

2011 HOMEAID CHARITY GOLF TOURNAMENT

HomeAid
Houston

The unique golfing experience that is Tour 18 was the site of the fifth annual HomeAid Houston charity golf tournament on April 26. A record 143 players experienced the links that represent some of the finest holes on the professional golf tour. Players also enjoyed a continental breakfast, numerous door prizes, a chance to bid on a wealth of items in the Silent Auction and compete in a putting contest.

The tournament raised approximately \$25,000 for HomeAid Houston. The proceeds will go toward building transitional housing for Houston's homeless. "Once again, through the hard work of Lea Pipitone and the HomeAid Golf Committee, we enjoyed a very successful golf tournament," said Tommy Johnson, chairman of the Golf Tournament Committee and HomeAid board member. "The folks at Tour 18 were terrific to work with and everyone had a great time at this incredible fundraiser!"

A special thank you goes out to all of the sponsors that helped make this wonderful event so successful.

WOMEN CONTRACTORS ASSOCIATION BOOTS & BLING TO BENEFIT HOMEAID

HomeAid Houston is forging a new relationship with the local Women Contractors Association (WCA). As leaders in their industry, WCA is committed to the advancement of women in the construction arena through education, support and networking. The association is assisting HomeAid in its mission to build transitional housing for men, women and children facing homelessness. On May 12, WCA hosted the "Boots & Bling A Western Fling" event at the Texas Safari Ranch Club in Sugarland. A portion of the proceeds from the event will be used to fund "Welcome Home," the remodeling of the lobby at Santa Maria's Spring Branch location, a HomeAid Care project.

Boots & Bling featured raffle prizes, a silent auction, door prizes and fun western themed activities including Buckin' Bull, Hillbilly Horseshoes and Ropin' Wranglers.

"Not only did we have a great time at Boots & Bling, we had an opportunity to get to know the great members of WCA," said Parke Patterson, president of HomeAid Houston. "They really have a heart for the women and children we serve through our construction and remodeling projects and we are honored they would choose HomeAid as a beneficiary of this event."

HOMEAID HOSTS FIRST HALO LUNCHEON

More than 25 professional women within the construction industry attended the first HomeAid Houston HALO luncheon on May

4 at McCormick and Schmick's in CityCenter. HALO which stands for HomeAid's Amazing Ladies Organization was created to bring many of Houston's key professionals together to learn about HomeAid, to share ideas and to help raise funds to support the HomeAid mission.

Guests included members from the GHBA, staff from the local and national VOA (Volunteers of America) offices and HomeAid Houston board members. The event was underwritten by GHBA CEO and HomeAid board member Toy Wood. Nicole Lovell a graduate of VOA shared her story of homelessness, addiction and recovery. HomeAid's vision for HALO is to inspire more women within the industry to join the challenge in giving hope to Houston's homeless community by making HomeAid Houston their personal charity of choice.

Our mission: To build dignified housing where homeless families & individuals can rebuild their lives.
