HOMEAID GOLF TOURNAMENT – A SUCCESSFUL TEE PARTY

The fourth annual HomeAid Charity Golf Tournament scored a hole-in-one on April 8 at Houston National Golf Course. More than 100 golfers were on-hand to compete for the number one spot, win prizes, bid on auction items, socialize and above all to help raise funds for HomeAid Houston.

A golf clinic was also offered that attracted both beginners and golfers who wanted a little fine-tuning. Dinner, awards and a silent auction wrapped up this successful HomeAid event. Everyone who participated in the tournament, whether they were volunteers or players, were winners.
